YOU OWN YOUR FLOOR FOREVER. Why would you want to treat it more than once?

LIQUI-HARD®

W. R. MEADOWS has been providing owners, designers and contractors with peace of mind for nearly 80 years. Protecting concrete is our business. LIQUI-HARD is a proprietary formula that penetrates the pores of your concrete to produce a tough, durable, dust-free surface. **LIQUI-HARD outperforms other products on the market to provide you with**

a tough, hardened surface, without the need for costly reapplication. Most importantly, it is designed to be applied once to last the life of your building. Untreated or improperly treated concrete can be a liability for you for the life of your building. **Making the right choices can be difficult. Choose experience ... choose the leader ... choose W. R. MEADOWS.**
